

License Agreement for the use of eccenca CE until [30.06.2010]

1. brox IT-Solutions GmbH, An der Breiten Wiese 9, 30625 Hannover, Germany (“**Licensor**”) hereby grants to you (“**Licensee**”) a non-exclusive, non-transferable, non-sublicensable right to use the Software “eccenca CE” and all accompanying documentation (together “**Software**”) free of charge, in binary form only, and for internal purposes only until [30.06.2010].
2. Licensee is not allowed to transfer the Software to any third party (including as part of a sale, lease or any other form of making available), especially for commercial purposes. Licensee is not allowed to embed the Software into other products. Licensee is not allowed to modify the Software. Licensee is not allowed to modify or remove any trademarks, logos, copyright notices or any other written statements, signs or texts which refer to the authorship or other intellectual property rights.
3. This license does not include any right to use the source code of the Software.
4. eccenca CE contains certain components which are licensed under a so-called “Open Source License”. Licensor does not license this open source Software to Licensee under this License Agreement. The licensor for such Software is the owner of the respective rights in such open source Software.
Schedule A contains a list of components which are licensed under open source licenses. In order to be able to use such open source Software, Licensee may need to obtain such open source Software and the required rights from third parties.
5. Licensor does not provide any warranty regarding the Software, and will not be liable for any damages arising because of or in the context of using the Software. Licensee is reminded of the need to back up any data on IT systems before installing the Software.
6. This License Agreement is governed by the laws of the Federal Republic of Germany (excluding the Convention on Contracts for the International Sale of Goods).
7. The exclusive place of jurisdiction for all disputes arising out of or in connection with this License Agreement is Hannover, Germany.
